

Immersion program to learn Spanish in Yecla with Grafton School

find out more...

Aim of the immersion program

- Achieve the total language immersion.
- Discovery of the Spanish culture.

Accommodation in Homestay

This program is focused on the language immersion, so students will be placed in families, where the spoken language is Spanish. They are all very welcoming, and well known by our staff. As most of them are our student's families.

The immersion program gives you the extraordinary opportunity to enjoy the Spanish way of living, culture, food, life style.

We would like our students not only to learn the language but also to live an unforgettable experience. And believe me, you will!

Our location, south East of Spain!

Studying in the Spain is an awesome experience, but it's more than just that – it's the perfect opportunity for your Spanish to flourish. Grafton School never forgets this, so we have designed an immersion program for you to be emerged 100% in the Spanish language and culture.

Closest airports

How to get to Yecla: Thanks to the low cost airlines you can easily get to the South East of Spain, where there are 3 main airports to fly to.

- **Alicante airport:** is currently the sixth largest one in Spain, which has continuously been growing in size over the past years. In March 2011, the airport got a new brand terminal building replacing the two old terminals.
- **Valencia airport.** This airport is situated in the West part of Valencia and only an hour and 15 minutes away from Yecla.
- **Murcia airport:** it is only 1 hour from Yecla.
- You could also fly to **Madrid Barajas airport** or to any other airport and get to Villena train station.

It will only take you 20 minutes to arrive to Yecla by car.
